

# PERMISSIVE ACCESS

A short circular walk can be made through the woods and parkland and along a grassy field margin. Alternatively, from the north eastern end of the path cross the road with care and take a 1 mile detour along the public bridgeway. This joins another permissive path for a steep climb to the top of the Wold Edge with rewarding views. Please keep dogs under close control at all times and on a lead where livestock are grazing.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 30th September 2020.

For access related queries please call the Environmental Stewardship Permissive Access Team on 0300 060 1114 (Office Hours).
