

PERMISSIVE ACCESS

This route provides access around a newly created wet grassland habitat and access to a viewing hide, also funded by Environmental Stewardship. Surface water levels are being maintained at higher levels and new ponds are being installed to provide habitat suitable for breeding waders such as snipe.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 31st October 2018.

For access related queries please call the Environmental Stewardship Permissive Access Team on 01902 693218 (Office Hours).
