

PERMISSIVE ACCESS

In an area already well used by walkers and horse riders, the provision of additional bridledpaths in this agreement will be a great advantage. This new on-farm route connecting the village of Stainfield with the lane into Short Ferry, will utilise existing farm tracks and pass by newly created wet grassland bird habitat and recently grassed down fields protecting below ground archaeology (prehistoric settlement features). Please respect this site.

Grid Ref	TF 102 725		Entry/exit point		Permissive Bridleway
Ref Nos	AG00288373 24/848/0029		You Are Here		Public Footpath
			Gate		Public Bridleway

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 30th June 2019.

For access related queries please call the Environmental Stewardship Permissive Access Team on 01902 693218 (Office Hours).
For all other Defra related queries please contact the Defra Helpline on 08459 335577 (Office Hours).
