

**T**he Ramblers is Britain's walking charity, working on behalf of all who wish to enjoy the countryside.

Members can take part in any RA event, whether here in Lincolnshire or anywhere in England, Scotland or Wales.

We work for a walking Britain, where walking is a popular choice for its people, both for relaxation and in daily life. We want walking to be an enjoyable experience for all, whether in the countryside or in the city, on gentle paths or challenging hillsides. We believe that walking contributes to health and well-being and supports a more sustainable way of life.

Registered Charity no 1093577

## Grimsby & Louth Ramblers

Our group was formed in 1980 and several of the original members are still active with the group. We have a regular programme of walks on Wednesdays and Sundays and full details are to be found on our website.

Newcomers are always welcome. Just come along and give us a try. Obviously if people enjoy walking with us, after two or three walks we would expect them to join The Ramblers.
